

Dear Colleagues,
Greetings from Moscow, IIM RANEPА!

In these challenging times, we want to deepen our engagement and connection with each other while providing an open platform to share knowledge, concerns and ideas.
With this aim, we are pleased to invite your students to join the XIII International Student Scientific and Practical Conference «Managing the Future: Instruments, Projects, Insights» online, and kindly ask you to share the information below with the student community of your University.

The Institute of Industry Management RANEPА invites you to save the date for the XIII International Student Scientific and Practical Conference «Managing the Future: Instruments, Projects, Insights»

- **16 April 2020, online**
- **Working language — English**
- **[Registration](#) is mandatory and open until 15 April 2020**

During the course of the Conference, you are invited to take part in the expert discussion and the masterclass hosted by industry leaders, as well as to choose from student reports sections — all sessions are free to join. The Conference speakers will focus on major trends impacting on the world order, business environment and industry development paths.

We are looking forward to your participation and contribution to the Conference sessions!

Learn more about the speakers, the topics and the program on the [web-site](#) and on Instagram [@iim_conference](#)

Still in doubt? Watch the [video](#) about the Conference 2019!

Thank you!
We remain at your disposal for any questions.
Wish great health to you and your family.

**Best regards,
Ekaterina Balan**
